Sep 27, 2019 I have recently purchased Navisworks and am trying to activate the Navisworks Freedom version. Looking through the Autodesk support website, nothing is specifically for Navisworks Freedom (f20) version . Domain: Downloads: Navisworks PC 2019. Navisworks Licensekey + Navisworks Watermark 4.2 free. Navisworks License Key 2020. Navisworks Support 2020. Navisworks 9.0.1 Activation (Navisworks 2018 version): (226.05 MB) - People, please be patient with us. t; Navigation: 1; Navisworks: 1 . Thanks for your help. I am expecting quite a bit of downtime for my company to be in standby while we upgrade to Navisworks 2021. It comes with .net framework 4.6.1.7288. I do not know what Navisworks 2019 or Navisworks 2020 means in the part of license key. Thank you in advance for your help. Follow these steps to ensure that your account has the latest Navisworks license key and that it is working correctly on your computer. Windows System Restore Type Ctrl-Shift-R to open the Run window, then type regedit. In the Registry Editor, select Edit -> Find. In the box, enter license_key and click Find Next. In the Registry Editor, select Edit -> Find (in the left pane) and click Open. In the Registry Editor, you will see that the Navisworks license key is referenced there. You can leave the Registry Editor, but you must re-enter the Registry Editor in order to re-enter the Navisworks license key. If the Navisworks license key is referenced correctly in the Registry, try the steps below. Install the Navisworks License Key Click Start -> All Programs -> Microsoft -> Windows Explorer. Open the Registry Editor. Navisworks 2019/2020. The Navisworks License Key 2019/2020 is shown for Navisworks 2019. Open it and save it to your desktop. The Navisworks License Key 2020 is shown for Navisworks 2020. Open it and save it to your desktop. Launch Navisworks. If you enter the Navisworks license key that is saved to your desktop, and then exit Navisworks, you will need to re-enter the Navisworks
