**DOWNLOAD NOW**

Elden Ring Crack Mac Game (ER:RG) is a new fantasy action RPG developed by project Movelight and is published by Tiamat Corporation. It is a massively multiplayer online role-playing game (MMORPG) that is set in the Lands Between, an alternate universe parallel to the real world. Two days before the mysterious dungeon incident, the story began with the disappearance of the legendary Sword "Venthyr" from the Kingdom of Unten, the last of the "Elden Queen" race. It is said that the sword possesses the power to open the path to the long-lost Elden Kingdom and grant all who wield it exceptional might. Ten years ago, the "Elden King" Anton, who lost his right arm in the battle against Venthyr's previous owner, the "Nachzehrer" Drassill, entrusted the sword to Roland, a young man who lost his left arm in the same battle, and vanished without a trace. The dark forces now seek to seize the sword and unlock the secrets of the Elden kingdom. Once you lose control of your own destiny, you will join with others to save them from the dark forces and resolve the mystery of the sword. \* Features: - A Vast World - A Plot of Epic Proportions - A Mythical Action RPG - A Unique Online Play - An Epic Drama Born from a Myth - Strategic Character Development - Free Customization \* Key features: - Action-RPG The world of the Lands Between is an idyllic fantasy world where the game's fantasy action elements collide seamlessly with its role-playing elements. ### Elden Ring System features

- Marketplace. A player's feedback informs us of the effectiveness of our products and service. By virtue of your application of feedback, we want to develop a game that you can personally enjoy. Marketplace is divided into two sections. As a result of improving your feedback, we will add items and will remove items that we deem unnecessary.
- Events (Headlines). We offer you a variety of events related to your gameplay. Through these, we want you to enjoy and feed your emotions with supplementary items that will be added to the game.
- In-App Purchase (IAP). One or more of the above content can be purchased within the game. Through this we want you to raise your ability in the game. It is possible to make this content a compulsory purchase.
- Time-based events. Of course, there is a certain time limit within which each item expires. By obtaining this content within a time period of little more than a few hours, you will see the effect of time-limited items.

### Basic system features

- All operations and services are free of charge.
- Scheduling confirmation service.
- Message notification service.
- Swapping service for equipment.
- The acquired game content will be deleted eventually.
- The items within the game can be traded.
- It is possible to play offline.
- The amount of the item received during the event time period may differ from the sales amount.

### Focus on two main areas - character advancement and PvP

# - SPECIAL PERKS Perk is the ability to customize your character. You can customise the appearance of your character with an updated look, equip different types of gear, and receive different bonuses. - UPGRADE PERKS You can extend the life of your character and boost the capabilities of specific equipment. - MELEE PERKS Melee combat is the core of the game. When in melee, your body has an advantage over your enemy's and your attacks become stronger. But, on the other hand, in melee combat, you lack armour. To prevent an attack from turning into a critical attack, you can equip items that reduce the damage from the critical chance. - ABILITIES As an Orc, you have the ability to use fire as a main method of attack. While you are in melee, you can use your signature attack: the roar of the tribes. - OTHER - Extended Levels and Extended Streng

### What's new:

**Balances include:** • A 34-hour-long story The development and character creation of the main storyline allow for more than 40 hours of gameplay. • Many Optional Settings Various settings to customize the exact rules and world atmosphere that you want. • Micro-management Optional actions represent one time and continuous situations that are more important than managing your overall HP, etc. • Frequent and Easy Updates Regular updates to fix bugs are available as free updates.
