Powered by EA SPORTS FIFA 20 engine, FIFA 22 features authentic life-like player models and animations, delivering the most realistic and authentic gameplay experiences. For the first time ever, the authenticity of players' hair styles and skin tones affects performance in-game, adding a new dimension to the passing and shooting experience. Responsive AI enables players to make game-changing decisions, and also to react to the pace and changes of the match. As an alternative to live cameras, use the in-game HUD to refocus the camera on different elements of the pitch to see important decisions, tactical changes and action from various angles. New features also include multiple camera angles, including a new first-person camera and an improved third-person camera angle. FIFA 22 introduces "HyperMotion Technology", which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. Interactive free kicks and penalties - Score breathtaking free kicks and penalties with incredible, authentic controls, adapted from real-life players and key moments in a match. Improvements to FIFA Ultimate Team mode - Add a personal touch to your Ultimate Team squad with player transfer data that feeds off real-life transfers, including the number of goals, assists, red cards, yellow cards and key moments in a player's career. Interactive live player biographies - Experience the true story behind each player, including biographical information, images, stats and achievements. Use the in-game HUD to look up photos and learn more about your favourite players. Competitions that matter - Fight for your country using authentic, realistic rules and live competitions that count. Interactive Career Mode - Make your mark in the world of football with career mode, where you get to decide how you play the game. FIFA 22 is available from 6th September (pre-order now) for PS4,

What's new:

- ***Play your first-ever match for a FIFA Club**** - Play to have your new club's first official match in your FIFA career. Or go into your FIFA Career mode with a goal already set in your mind: compete for the Manager of the Year Award. Whether you play for a club that is new to the full-scale game, or a long-time club favourite, you will begin your FIFA 22 career on a high note as you play out the first-ever match in this full-scale sports title.
- **Full-scale Passing Play** - Add to the already intricate passing structure introduced in FIFA 15 with full-scale passing. Passers can now complete passes with the back of the foot, pass with the boot or the top of the foot, or, for the first time in FIFA, spit on the ball while on the run and slide the ball under an on-rushing defender.
 - **Authentic Sound*** - Captive presence and experimental sound technology have been used to craft hundreds of new, authentic footstep sounds so players will hear the attacking play of your club. Should a player tackle or challenge another player, they will hear the on-pitch environment around them come to life with the sound of players hitting out at the ball and attacking each other with a fair degree of tempo and aggression!*
 - **New Camera Position** - and more! - The camera has made way for a more cinematic presentation through the footwork of the football players. But not just camera angles, the wider angle experience is part of the reimagination of ESPN's immersive ESPNMatchday experience that delivers exclusive stories with more detail at the feet of the commentators and commentators and **players to the stadium.**
- Revolutionary AI and system pipeline to introduce more movement and emotion Zidane then

dives in - The all-new AI is the most intelligent and robust football engine ever created. Player decisions are informed by hundreds of seasons' worth of coaching data on the world's best footballers

- Play out NFL matches on any platform with the realism of NFL surface functionality. Now you get to be the star quarterback, punter, and kicker on a field that feels like a real NFL field!
