Advertisement Aaron Ramsey is expected to be out for the rest of the season with a broken leg suffered while playing for Wales against England on 17 November. A statement from the Welsh Rugby Union says the damage was discovered when the club doctor attended to the player soon after he came off the field in Cardiff with what is not thought to be a serious injury. It added that the 22-year-old had been taken to hospital for a scan which discovered the injury. The midfielder's injury has left Wales manager Michael Owen in a difficult position. Owen told BBC Radio 5 live: "It's a wonderful young man, but I've got to name a reserves player, and maybe we'd have to look at making a change in that position." I'm gutted for Aaron. He's a great player for us. He's a wonderful lad. I've got full sympathy for him. Michael Owen on Aaron Ramsey Injury setback Wales Rugby Union spokesman Rob McCusker later added: "The player was kept overnight in hospital to be assessed. "The medical team assessed him and I think he is out for the rest of the season. His injury means he misses out on any chance of being part of a squad for the Six Nations." Wales play England in the last international of the season on Saturday. The Cardiff Blues are thought to be willing to release Aaron Ramsey, after he returned to playing first team football in the
